#LeadingTheWay

● Migration & Education Support for Nigerians

Are you or your loved ones looking for migration services, work visas, partner visas, student visas, or tourist visas?

Matthew Olawale, CEO of CosmoRemit also one of the Directors at Expert Education and Visa Services, is here to guide you through an honest and transparent migration process.

With operations in 25 countries, our team is dedicated to helping Nigerians and other migrants achieve their education, career, and migration goals abroad.

About Expert Education & Visa Services

Since 2003, Expert Education and Visa Services has helped over 200,000 international students successfully settle in Australia.

We are committed to providing honest, reliable, and professional assistance for your migration journey.

Nigerian Migration to Australia: Opportunities & Challenges

As of 2024, over 18,000 Nigerians have migrated to Australia in search of better economic opportunities. Many seek stable employment and career growth, enabling them to support their families back home.

Our services include:

- Career counselling & academic guidance
- Student visa applications
- Work, training & conference visas
- Migration & settlement support
- Legal & taxation services
